OUR STORY

Aquifer**65** is the newest and boldest experience at the JW Marriott Desert Springs Resort & Spa.

The style and vision is not only inspired by our distinct surroundings but also by our unique central location above a **65**-mile long subterranean reservoir that spans the entire length of the Coachella Valley.

Aquifer**65** harnesses this natural treasure and brings it to the surface represented by **65** clear spirits. This quintessential social epicenter creates a vibrant scene and refreshes every guest with alluring entertainment, modern designs, local ingredients and crafted presentations.
