## THE CHEF'S PERFECT SANDWICH

*Housemade corned beef braised in Guinness, housemade pickled cabbage, Thousand Island dressing, Swiss cheese, thick-cut marble-rye served with a pickle and* crinkle-cut fries 14

Growing up in a small Midwestern town, I always looked forward to the nights my mom served us corned beef and cabbage for supper. But what I really loved was turning the leftovers into delicious Reuben sandwiches the next day - the savory corned beef, the tangy cabbage, that perfectly grilled crunchy rye with just a hint of bitterness. When I started learning to cook professionally, I made it my mission to learn how to make the perfect corned beef from start to finish so that I can serve delicious Reubens from scratch. Our housemade Reuben features corned beef braised in Guinness and accented with pickled cabbage, Thousand Island dressing Swiss Cheese and thick-cut marble-rye. From our kitchen to yours, cheers!

—Chef Alyson Martin
