Marriott Hotels and Resorts:
Inspiring the World
through GREEN meetings

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment while creating economic opportunities around the world.

Marriott Hotels and Resorts
- Replaced light bulbs with energy-efficient bulbs
- Installed low-flow showerheads and toilets
- Introduced water/energy saving linen program
- Operates the most ENERGY STAR® certified properties in the industry; as part of the Marriott's portfolio brands
- Involves its global workforce in eco-volunteerism

On Track To:
- Further reduce water, waste and energy by 25% over the next 10 years
- Roll-out an in-room recycling program worldwide
- Green our $10 billion supply chain
- Build greener hotels and offices by developing approved guidelines, have all our managed golf courses Audubon-certified by year end 2009
- Improve climate by reducing our carbon emissions. We are pursuing ways to offset our emissions and protect the rainforest in the Amazon
