

CRAFTING THE SPACES THAT SPARK NEW IDEAS.

At Atlanta Marriott Alpharetta, a host of fresh amenities and newly-renovated spaces will soon make it even easier to host successful events.

We're taking \$2.6 million of inspiration and:

- Knocking down walls to open up the lobby—creating a Great Room concept featuring an inviting bar and enhanced outdoor space
- Reinventing our meeting spaces with new carpet, furnishings and fixtures
- Completely redesigning our on-site restaurant with fresh, local flavors and a brand new menu
- Making a statement throughout the first floor with a new business center, gift shop and fitness center
