SAUVIGNON BLANC, 2017
ROMBAUER | NAPA VALLEY

This wine is brilliant pale yellow with a bright green hue. It exudes aromas of ripe lime and lemon, grapefruit, pear and white nectarine with a hint of fresh-cut grass. The palate is fresh and enticing, as grapefruit, white nectarine and passion fruit intertwine with Meyer lemon and lime, making the mouth water. Balanced yet lively acidity lingers on the palate inviting another taste. Boxwood on the finish gives the wine length and vibrant freshness.

CHARBONO, 2013
AUGUST BRIGGS | CALISTOGA, NAPA VALLEY

Charbono is one of the rarest grape varieties in California, with only about 80 acres planted. About half that total is in Napa Valley; August Briggs is lucky enough to source some excellent Charbono from their neighbors in Calistoga, the Frediani family. Through genetic testing this variety has been determined to be the same grape as Corbeau in France and Bonarda in Italy. Planted back in the 1920s, the Frediani Charbono vineyard produces low yields with the ultimate in flavor concentration.

CABERNET SAUVIGNON, 2012
VINE CLIFF | NAPA VALLEY

This classic Napa Cabernet is filled with aromas of cassis, plum, black cherry, and hints of violet and mint. Aging in the finest French Oak barrels and small lot fermentation contribute to an enticing bouquet of cedar, anise, vanilla, mocha and sage. This full-bodied, rich cabernet has smooth polished tannin and flavors of berry and plum on the palate.

CABERNET SAUVIGNON, 2013
LEONARDINI ESTATE | WHITEHALL LANE

The Leonardini Estate Cabernet Sauvignon comes from handpicked blocks in Whitehall Lane’s Estate Vineyards. This 2013 wine was made from grapes grown in three of the Leonardini Family’s seven Estate Vineyard properties. It included select vineyard rows of Cabernet Sauvignon from the Oak Glen and Millennium MM Vineyards. This is a classic Cabernet Sauvignon. The wine has a deep, intense color and a distinct fruit center that begins with black cherry, violet and currant aromas. It is well balanced, elegant and sleek on the palate, delivering very long berry and cherry flavors through to the finish. The underlying tannin structure, complexity and ample fruit guarantees rewards to the patient collector over the next 12 to 20 years.
