IMAGINE AN INSPIRED WEDDING DAY

You envision a wedding as unique as your love. The Renaissance Cincinnati Downtown Hotel, housed in the historic A.G. Bartlett Building, promises you an inspired ceremony and an unforgettable reception. Whether your dream wedding is minimalist or extravagant, we vow that every detail, every touch imaginable will be creative and flawless.

Wedding guests will fall in love with the distinctive culture of downtown Cincinnati. Whether they're up for exploring historical treasures, visiting family friendly attractions or trying a taste of the city's signature chili, Cincinnati makes for a vibrant setting that all can enjoy.

ARTFULLY DESIGNED SPACES

Set the stage for an unforgettable occasion at Renaissance Cincinnati Downtown Hotel, home to some of the most elegant event spaces in Ohio. With beautiful rooms and banquet halls across over 14,000 square feet of space, you're sure to find a venue that inspires and delights.

Celebrate your love with up to 700 guests in Burnham Hall. This 6,800-square-foot reception hall was designed by renowned architect David Burnham in 1901. It's a historical masterpiece in the heart of our hotel, adorned with intricate woodworking, sculptural detailing and a 40-foot-high dome-shaped tile ceiling of extravagance.

For a more intimate ceremony or reception, look to the Flat Iron room. This chic venue features floor-to-ceiling windows and offers a pristine white canvas for you to create the wedding of your dreams. It is an opportunity to realize your vision with a custom celebration for up to 300 guests.
