Turn, Kick, Reach® “The World’s Fastest Learn To Swim Program!”

Baby Otter Swim School’s revolutionary, trademarked Turn, Kick, Reach® program has been teaching swimming and saving lives for 40 years. This unique, state and nationally certified program is simply the most effective learn to swim and drowning prevention methodology available today. In five consecutive private sessions, anyone from crawling age and up can learn our life saving technique. Students will learn to put their face in the water, learn to hold their breath using a set of commands, swim to the steps and wall by kicking, and MOST IMPORTANTLY learn to turn around and swim back to a place of safety, usually from where they fell into the water!

AGE: Crawling age (usually 8-9 months) and up

SETTING: Private, 1 instructor/1 student

TIME FRAME: 5 consecutive, 30 minute sessions over 3, 4 or 5 days

PRICE: \$499.00

Learn to Snorkel Lessons

Only the snorkeler knows all that the underwater world has to offer and this specialized lesson will have any swimmer ready and confident to head out and explore! We’ll cover fit and function of mask, snorkel and fins, water entry and exit from deck or beach, surface and underwater kicking, snorkel and mask clearing.

****students must have their own mask, fins, and snorkel****

AGE: 5 years and up, must be able to swim already

SETTING: Group, 1 instructor/up to 5 students

TIME FRAME: 1 session of 45 minutes

PRICE: \$89.00
