THE CHEF'S PERFECT SANDWICH

House-smoked pulled pork, jalapeno jam, cheddar cheese and pickled slaw on Bloom Bakery Cheddar Bread served with a pickle and crinkle-cut fries GF 14

Being centrally located in the United States, Kansas City is a melting pot of different cultures and cuisines. As a chef, I like to elevate traditional ideas and infuse them with something new and fresh. Kansas City is known for its BBQ and pulled pork is one of my favorites; there is nothing better than a rich, smoky pulled pork sandwich. I didn't want to make the typical KC-style BBQ sandwich, instead I took inspiration from one of my cooks from El Salvador. She makes a spicy, sour slaw that I thought would pair perfectly with the richness of the pork. This, combined with sweet jalapeno jam makes the Chef's Perfect Sandwich. Cheers!
