FOOT GOLF

What is FootGolf?

FootGolf is simply a combination of soccer and golf. The game is played with a regulation #5 soccer ball on a golf course with 9 or 18 shortened holes and 21-inch diameter cups. The rules of FootGolf are consistent with that of regular golf with the object being to complete the course with the fewest number of strokes or "kicks" as possible.

How long does it take?

A round of FootGolf only takes 2 - 2½ hours to complete compared to 4½ - 5 hours for a round of regular golf.

How long is each hole?

Like Golf, FootGolf has a pre-determined Par for the course and consists of par 3's, par 4's and Par 5's. A par 3 is generally less than 100 yards, a par 4 between 100-150 yards, and a Par 5 is over 150 yards.
