BEACH OLYMPICS (CHOOSE 5):

- CENTIPEDE SHUFFLE:** Five members of each team face off against each other in this synchronized event. Participants stand together on a special board, which they maneuver from the starting to the finish line.
- DRESS AND UNDRESS RELAY:** Team members each dress in wacky ties, dress shirts and hats, and run to the other side of the course tag the next person on their relay team, change into the wacky dress and repeat until your entire team is finished.
- WATER BALLOON TOSS:** Teams enter up to (20) participants who will pair off. Each pair will be given a water balloon that they must toss back and forth without popping the balloon. After each round, the group will be moved back a few feet until we have one winning pair.
- SAND SCULPTING:** Each team will be given 15-30 minutes (depending on the size of the team) to build an all-natural sand sculpture. Creativity and an eye for detail are 'musts' in this event. Recreation Staff will vote on the winner. *This event can only be held outdoors.*
- LIMBO CHALLENGE:** How low can you go? 4 team members from each team will compete in a "last man standing" limbo challenge with our custom made high gloss limbo sets.
- FIREMAN RELAY:** Members from each team will pair up in this race to fill up one large water canister using a "special" bucket (don't mind the holes). Teammates will race to the Gulf of Mexico to fill up their bucket and then race back to their home base to be the first team to overflow their larger water canister.
- GOLF BALL DASH:** Two teams line up single file at the start line. A golf ball and tee are given to the first player. He/She places the ball on the tee and tries to weave his way through the cones and back without dropping the ball from the tee. The first team to complete the course wins.
- OBSTACLE COURSE:** This is a team relay event which is timed. A set number of teams will line up next to each other on duplicate courses to race for the best time. The obstacle course consists of running around a dummy referee, jumping a hurdle (18" high), followed by two hula hoops that each person must pass through and tossing a ball into the trash can from approximately 3 feet away. Once the person completes all the events, they must run to the start line and tag the next player on their relay team. For any obstacle that is disturbed or missed a 5-second penalty will be added.
- BULL'S EYE:** This event starts at a giant bull's eye out on the beach. Each participant will be given one chance to throw a Frisbee into the marked area to score points for their team. The number of people throwing for each team will depend on the over all group size. Point value: 25 bull's eye, 15 second ring, 10 third ring and 5 points for anything on the outside rings.
- MIND CHALLENGE:** This event will test the skills of every team member! We will place an item under a palm frond cap and each team will need to remember the item and match them for points. This is much harder than it sounds!
- HOMERUN DERBY:** In this event, two teams will compete in a home run derby contest. Each person on the batting team will have 3 pitches to hit with the object to hit a home run over the fence. Each homerun will count for 1 point for the batting team. The team on defense will play in the outfield and try to knock down/catch balls hit by the batting team. Any balls caught by the defense will count as a point for the defensive team. After each batter has accumulated 3 outs, the teams will switch. The team scoring the most points wins.
- 50 YARD DASH:** Two competing teams line up in parallel lanes with 10 footballs placed at the end of each lane. Each football is labeled 1 – 10. One at a time members from each team must dash down the lane and collect a football. The first team to collect all 10 footballs in order wins!
- HULA HELP:** All teams will have three hula hoops each. The point of this event is to pass all three hula hoop down your row of players while holding hands with the person next to you at all times. The team that passes all three of their hula hoops around their teammates in the fastest time will win! Remember, NO cheating or you will have to start all over again!

Program Cost: \$750 setup fee, \$45/person. Optional Enhancements: Team Bandanas \$3 each; Personalized Medals \$15 each

Prices are subject to change and do not include 6% tax and 25% service charge. All activities are weather permitting, based on availability and subject to change without notice.

WOODEN BOAT BUILDING REGATTA

Ahoy Matey! Our trained recreation staff will organize and execute this highly structured, yet extremely enjoyable event. All teams will be given the necessary building supplies and a roll of tape to construct their boats. Once the boats are finished, one person from each team must sail his or her vessel around a buoy (four persons from the team must either push or pull the boat) and back to the beach. First team to complete the course and return safely to the beach will be declared the winner. Prizes can be awarded to the team with the most creative boat design, the fastest lap time or even the slowest times! Life vests can be provided.

Program Cost: \$750 setup fee, \$45/person. In case of inclement water conditions this event is held in Quinns Pool.

SCAVENGER HUNT/WOODEN BOAT BUILDING REGATTA

This event captures the best of the land and the sea! Teams will start off on the shoreline with a packet of 10 clues. Working together, teams must scour the resort looking for the parts necessary to build their wooden boat. Once every team arrives back at the shoreline with their boat parts it's a race to build the most seaworthy boat on the Gulf! Once the boats are finished, one person from each team must sail his or her vessel around a buoy (four persons from the team must either push or pull the boat) and back to the beach. First team to complete the course and return safely to the beach will be declared the winner.

Program Cost: \$750 setup fee, \$55/person.

WORLD SERIES OF BEACH SPORTS

This event inspires the competitive nature in everyone! In this interactive beach event Teams compete against one another in a series of wild beach games. Each Team breaks into partners who then rotate between events to earn points for the overall Team. There are 5 events that everyone competes in: Horseshoes, Cornhole (bean bag toss), Ladder Golf, Poleish (a crazy Frisbee toss game), and it all culminates with a Volleyball tournament. The Team with the most cumulative points from all games is the Grand Champion of Beach Sports!

Program Cost: \$750 setup fee, \$45/person.

FLORIDA SAND BOBSLED RACES

The outlandish, the hilarious, the questionable....SAND BOBSLED RACES! What could be better than to design, construct and race a Florida Bobsled on our snowy white sand. We will set up two courses so each team can compete against another team as well as the clock. Included in the course will be a long straight a way and a loop back to the start line. All groups will need to draw as well as design their own bobsled before being given all the needed supplies to begin construction. The first team to cross the finish line with the best time will be declared the winners!

Program Cost: \$750 setup fee, \$45/person.

AMAZING PHOTO SCAVENGER HUNT RACE

Team up for a photo scavenger hunt, Marco Island Style! Each team will be issued a digital Polaroid camera to explore Paradise and locate a series of 25-30 clues. Clues will vary in difficulty and point value. Working together each team will have 1 hour to scour the property to capture photo evidence of as many clues as possible. Once the hour is up teams will be given 30 minutes to create a collage to showcase their adventure and present their findings to the judges. Bonus points will be awarded to the team with the best collage and presentation. The team with the most cumulative points will be the winner!

Program Cost: \$300 setup fee, \$45/person.

BLACKLIGHT EVENTS

BLACKLIGHT VOLLEYBALL: The net, ball, out of bounds' lines and related equipment is fluorescent in color and glow intensely when exposed to the black light. This event is played as pick up games in a relaxed setting.

LOCAL LUNCHEON & WINE TASTING: Each program is customized to the group that allows the guests to enjoy the pairing of quality food and wine. Whether you want to call this event a tasting or a class or something in between, the sommelier will speak with you beforehand to get a sense of your guests' level of wine knowledge. Gauging people's level of interest and then striking a balance between education and entertainment is the key to a successful pairing. Since there's often a learning component to tastings like these, the sommelier will usually supply tasting sheets and printed background information on the wines. They'll focus on specific regions, grape varieties, vintages or almost any other facet of wine, entirely depending on the host's wishes. The host will determine a theme they would like to do. For example, France, or Australia. Sometimes, it gets more specific. When we do have a theme, the sommelier will try to find classic examples for that country, or region, and the multi-course lunch will focus on the wine pairings.
