POWER DISTRIBUTION LABOR RATES*

- Setup/Strike \$105/hr

All Power Distribution labor calls are based on a standard four-hour minimum and subject to all reasonable labor practices regarding overtime and non-standard calls and afterhours. Power Distribution labor is based on a per-show call basis.

Power Distribution Pricing

PSAV will not load or allow a service to be loaded beyond 80% of the rated capacity of the service. Power Distribution equipment distribution boxes are billed on a per-day basis. All power distribution PSAV uses will be UL/ETL listed and will meet or exceed all state and local requirements for safe electrical distribution.

*Ask your representative for full details regarding labor rates, which can vary based on complexity and time of operation. All PSAV solutions may be subject to our property's administrative fee. Above prices do not reflect labor charges, which may apply. All rates are subject to applicable sales tax.

To learn about our creative and production services, please contact your PSAV representative.
