

UNIQUE OFFERINGS, ALL FOR YOU.

There's always something new to discover here. Here are a few of our favorite activities, with options for everyone.

YOGA

Start your day with a refreshing, restorative sun salutation. All levels are welcome.

HIKING

Take in the natural beauty of Sonoma with an invigorating hike. Just bring close-toed shoes and an adventurous spirit. Weather permitting.

BIRDS, BLOOMS & BUBBLES

Join sommelier Dan Noreen on an exploration of nature on the Sonoma Overlook Trail and offer a toast to Sonoma with a bottle of bubbly at the top.

DAILY WINE TASTING

Explore the local flavor: The on-site modern wine bar Bean & Bottle holds a daily ritual with signature sparkling sangria. Every evening, we offer a sampling from a different local winery.

WEDNESDAY WINE ADVENTURES

Join Dan each Wednesday to explore different wine varietals and other alcohol types.

For more details about any activity, see the resort's Navigator.
