

Stay on track with full-service fitness

We boast the largest fitness space in the area, covering an entire floor of our hotel. Our 24/7 Fitness Centre features all the equipment you need to keep up with your routine as well as a private yoga and stretching room, and you can cast on-demand fitness classes from your device to our large-screen smart TV. After your workout, relax with a dip in our indoor heated pool and whirlpool, and feel good about your stay.
